Memorial Composite High School welcomes the Class of 2025 to a new and, (for most) final school year. Regular "Graduation Updates" will be communicated via the school website, the Memorial Memo Newsletter, daily school announcements and the Grade 12 Google Classroom. The Graduation display case is located just outside the Textbook Depository where information and Grad lists will be posted. Grade 12 students and parents/guardians are responsible to keep themselves informed about all details pertaining to Graduation.

GRADUATION PHOTOS

Portrait session bookings will start on December 13, 2024 @ 9:00 am with the online Appointment Plus program. Grad Fees must be paid prior to the booking.

Scheduled portrait sessions will be canceled if the Graduation fee has not been paid.

Photos will be taken during the week of January 22 to January 28, 2025. Proofs will be mailed to the student's home address in approximately 3 - 4 weeks.

Graduation portraits can be ordered in three ways, online (shop.lifetouchprestige.ca), by phone (1-888-676-1647) or you can set up an appointment with a representative at the Lifetouch studio in the west end of Edmonton (18124-102 Ave, 780-437-2431). You are welcome to take your portrait package to the studio to place an order or ask any questions.

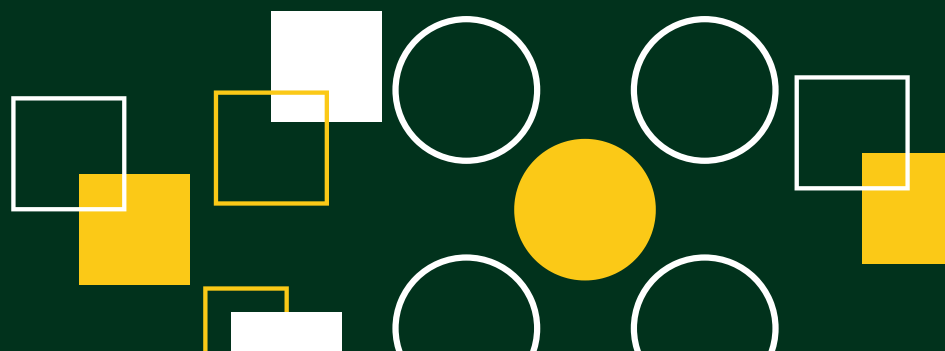

Retakes will take place March 3 to 6, 2025. Appointment Plus will be open for retake bookings on February 13, 2025 @ 9:00 am. Proofs from the first photo session must be handed in at the time of retakes or a fee of \$30.00 for the second set will be imposed by Lifetouch. The fee is payable directly to the photographer at the retake session.

Students choosing to have their graduation photos taken elsewhere are required to have a photo taken by Lifetouch in order for their Grad picture to be included in the Class Composite, Yearbook (Payment option B) and the Grad slideshow at the Ceremony. No appointment is required for a Yearbook Photo and students will be seen by the first available Lifetouch photographer.

Students who want a casual photo with a pet must schedule an appointment for their portrait session to be taken at the Lifetouch Studio (780-437-2431). Grad Fees must be paid prior to the booking.

Students not meeting the Alberta High School Diploma or Certificate of High School Achievement requirements to graduate will not be eligible to have their Graduation photo on the Class of 2025 Composite. Eligibility will be determined once the Alberta High School Diploma and Certificate of High School Achievement are awarded by Alberta Education.

Please refer to Memorial's website and monthly newsletter for ongoing updates.

GRADUATION CEREMONY REQUIREMENTS

To participate in the Graduation Ceremony, a student must meet the minimum course credit requirements for an Alberta High School Diploma/Certificate of High School Achievement as established by Alberta Education. Students must achieve a minimum grade of at least 50% in all non-diploma subjects and meet the requirements for diploma subjects as listed below.

Because the final grade for diploma exam subjects is established by blending the school awarded mark and the diploma examination mark, the following rules will apply:

1. In the first semester, students must have earned at least 50% as a final grade in any required diploma examination subjects.
2. In the second semester, students must have earned at least 50% in the school awarded mark by **May 30, 2025** for any diploma examination subject required for diploma requirements.
3. Registration for courses in Summer School 2025 **does not** qualify students for participation in the Graduation Ceremony.
4. Students must complete all of the requirements of the Life Skills Program (LAWS).

Final determination for participation in the Graduation Ceremony will be based on the marks as of May 30, 2025.

It is expected that all Grade 12 Students will conduct themselves in a mature, responsible manner throughout their graduation year.

Students who successfully graduate with a Certificate of High School Achievement (KAE) will be eligible to apply the next school year as a returning Grade 12 student to complete the requirements of the Alberta High School Diploma program. Approved returning 12 students who successfully achieve their diploma within the year will be eligible to attend the Graduation Ceremony if the applicable Graduation fee has been paid.
