Dear Memorial Parents -

PRINCIPAL'S MESSAGE

Spring is the best time of year at Memorial! The Bikeathon kicks it off in March. Daylight and the snow melt follow and then we get into spring sports. It's been a couple of years (due to the pandemic that shall not be named) since we've had Taste of Memorial, but that's happening this Friday. The POC Talks Club has added an entire culture week as a lead up! Memfest is coming back! This year we are hosting Metro Athletics Unified Games on May 30. There are some year end trips and activities. All this leads up to the end of classes, exams and grad. There's excitement in the air as we approach the finish line!

This time of year the admin team has their feet firmly in two school years. The notable majority of you have completed your students' registrations and they have selected courses. If you happen to be in conversation with anyone who mentions they haven't, please encourage them to do so. Timetable construction has started. The more accurate our course selections, the better timetable we can build. More importantly, it's better for students to have their course selections done to be included in the initial timetable build. They are more likely to get the courses they chose.

Even with the wonderful weather, we can't lose sight of the main goal for students... successful course completion with the marks that they need. Please continue to help your student stay on track. PowerSchool is a parent's friend at this time of year. Check there often and offer supportive encouragement to get the work done.

It's important right now to acknowledge our friends and family members in the Entwistle and Evansburg area. Our rural Alberta families are strong people! We wish them the strength they need to make it through the fires out their way.

Take care.

Ms. Jensen, Principal

MCHS General Information

PowerSchool

This is our parents' primary way to check in on their child's marks/assignments, update contact information, and pay fees.

Sign into your account [here](#). For a [tutorial](#) on how to use PowerSchool, please visit our websites "[For Parents](#)" [tab](#). Please contact Mrs. Campbell at the office if you need assistance accessing your account.

Reporting an Absence?

Please email mchs.absence@psd.ca or call 780-963-2255 and dial 1 anytime to leave a message. Please leave your child's full name, grade, and reason for the absence.

Reaching Your Child At School

Cell phones can be a distraction and a disruption to classroom learning. Our teachers and your kids have worked hard together to come up with routines so that cellphones are not disrupting class. Here are some things for parents to know about communicating with their kids while they are at school.

During class time, your child has most likely turned off the phone and put it in a pouch on the classroom wall. They may not be able to respond immediately.

You can contact your child during their designated lunch hour:

Mondays: 11:25 - 12:25

Tues-Fri: 11:05 - 12:05

We appreciate your support in reaching your child directly to minimize disruption to classroom instruction. Of course, we are happy to assist in an emergency.

School Fees

Please note that school fees are not visible on the PowerSchool App. Access to all information is only available through the [PowerSchool website](#).

Payment Options:

- PowerSchool - Fees can only be seen through the parent portal using a browser. Fees can't be seen through the phone app.
- Cheque - Payable to Parkland School Division and may be dropped off or mailed directly to the school.
- Debit or credit - Is available at the high school or Parkland School Division.

If you have any questions, please contact Ms. Miller at the Finance Office.

TORCH TIME

IMPORTANT REMINDERS:

- Monday Torch Time is integrated into class time and therefore, Mondays will run on a full day bell schedule with dismissal continuing to be at 3:20 pm. This changes lunch time on Mondays to 11:25 am - 12:25 pm.
- Tuesdays to Fridays will continue to have Torch Time scheduled from 2:45 - 3:20 pm and lunch will run from 11:05 am - 12:05 pm.
- Students and the school are still accountable for the whereabouts of students until the end of the full school day. All students need to be signed up for a Torch Session every Tuesday to Friday through PowerSchool.
- Parents and teachers can also sign up a student for a Torch Session. Students cannot unenroll from those sessions. There is a video below explaining to parents how they can sign their child up for a session.
- If a student is in good standing (meeting the expectations of their teachers, parents, and themselves) and have all of their assignments submitted to a passing level, they may use that time for a personal interest Torch Session (Open Gym, Fitness Training, etc.) or sign up to be Off Campus With Parent Approval (must leave school grounds). Students are also encouraged to sign up for academic sessions if they wish to improve their marks.

Good To
Know!

Taste of Memorial is a school wide event where staff and students can participate by sharing their culture through food. This event will take place on May 5th.

Volunteers will be asked to create a food sample that represents their heritage and/or culture. They will set up a booth in the small gym on May 5th, 2023 where students and staff will then have the opportunity to purchase tickets in exchange for food samples. All food samples should be small in size (think the samples you can get at Costco).

For example: The French Club (and others with this cultural heritage) could collaborate to set up a booth to represent the French Language program and provide a cultural treat like crepes.

All proceeds from tickets purchased will go to the following:

POC Talks Club & Leadership Class
(organizers of this event)

POC Talks Scholarship Fund for future students that have a focus and desire to ensure belonging within our school and community.

If students are interested in volunteering for this event, please contact Karley Guthrie at karley.guthrie@psd.ca.

MCHS is proud to be hosting the 2023 Metro Athletics Unified Jamboree!

May 1, 2023 - Excitement is building! Memorial is proud to be invited to host the Metro Athletics Unified Jamboree, an inspirational event where we will be welcoming athletes and partners from Edmonton and surrounding community high schools. We are expecting over 600 participants from over 20 high schools for the day. Unified Sports sees student athletes with disabilities paired up with partners (without disabilities) to train and compete as a team. This inclusive experience provides participants with the opportunity for authentic high school sports competition with a championship banner on the line. All students experience an opportunity to develop leadership, social and sport specific skills.

The program for the day includes:

- Opening ceremonies
- 3-on-3 basketball
- Bocce ball
- Bean bag toss
- A variety of fun activities throughout the day
- Closing ceremonies

What: Metro Athletics Unified Jamboree

Where: Memorial Composite High School Athletic Fields

When: Tuesday, May 30th beginning at 9:30 am

Belonging at Memorial has been a priority topic for several years now as we continually develop an inclusive environment for all. The Unified Jamboree will be an important event for our school community. Participating in sports builds friendships that start on the field and carry over to other aspects of life. The Jamboree experience has taken hold at Memorial as we prepare to defend our 2022 banner win. This sparked the MCHS Unified Club which runs all year long organizing sporting and other activities. The Jamboree will be the pinnacle event to end the school year.

It is a huge undertaking with many MCHS students volunteering in every aspect of the games. Just as in past events, we are anticipating that this year's Metro Athletics Unified Jamboree at Memorial will be truly inspirational.

For more information, please contact Carolyn Jensen, Principal and Unified Jamboree Communications at (780) 963-2255 or carolyn.jensen@psd.ca

Graduation Requirements & List

Students are responsible for ensuring they meet the Alberta High School Diploma/KAE Certificate requirements to graduate and must be on the Final Grad List to participate in the Graduation Ceremony. Any student concerned about their eligibility to graduate must see Mr. Coghill (Grade 12 Administrator) or Ms. Cox (Grade 12 Counsellor). More information can be found by visiting the [MCHS website graduation requirements page](#).

Class of 2023 Graduation Speeches

Memorial welcomes all students to apply for the honour of representing their peers during the Graduation Ceremony. Following the selection of the Class Valedictorian students interested in presenting a speech for Class Historian (Memorial Memories), Tribute to Families, and Tribute to Staff are invited to a meeting during the lunch hour (11:05 am) on May 10, 2023, in the conference room. MCHS staff grad committee members will be in attendance to present an overview of the speech criteria.

Class of 2023 Graduation Song

The deadline for entering a song choice for the first round has passed.
The top 3 song choices will then be voted on to determine the final selection.
The final voting will take place on May 12, 2023.
Please visit the MCHS website Homepage News or the Grad Google Classroom to enter your song choice!

As we continue to plan for our Graduation event, please check Memorial's website often for updates and watch for messages in your inbox from the school.

DESIGN

More great work coming out of the CNC Design class!

CNC stands for Computerized Numerical Control. It is a computerized manufacturing process in which pre-programmed software and code controls the movement of production equipment.

MEMORIAL BUSINESS

On Monday May 8, Adam MacArthur from Community Futures will be visiting our Entrepreneurship class to talk to the students about the YETI (Young Entrepreneurs Training Initiative). Students can apply for the program where they will be granted money to start their own company. The program runs in the summer.

On May 11, the Entrepreneurship class is travelling to several successful businesses in the Tri-region. We will visit Talking Dog Brewing, Homegrown Foods, Mira Timberframe, Jack's Drive-in, and Wilhawk Beef Jerky.

In Legal Studies, the class will be participating in a mock trial at the University of Alberta Law building on May 18. Student Legal Services allows us to use the Moot courtroom so the students will get to experience a trial. The kids will take a role and participate in a murder trial. Law students will be there to assist the kids in the trial. On June 1, the class will next travel to the Edmonton Law Courts to watch live court. It will allow the students to understand what they have learned by watching it unfold before their eyes.

MCHS CONSTRUCTION

This was Stephen Ramage's last day as student teacher in our programs. We enjoyed your time with us!
Grade 10's finished their designed cutting boards, and end tables are getting finished.

CHOIR

The MCHS Choir closed April with a fabulous Spring Tour! With elementary school performances in Stony Plain and Lacombe, and a collaborative workshop with the choirs of Lindsay Thurber Comprehensive High School in Red Deer, plus bowling, swimming, shopping, and sightseeing, we sure made the most of a short trip! The choir students sang beautifully, made wonderful memories, and were excellent ambassadors for our school as we travelled the province.

In other music tour news, the choir has received conditional approval to pursue our 2024 tour plans...to DISNEYLAND! This tour choir will be made up of MCHS choir students, as well as singers from two other PSD schools. We're thrilled for this opportunity to perform onstage in the Disney park, and to travel and spend time together at the happiest place on earth! Stay "tuned" for Disney '24 updates!

Marauders ATHLETICS

Athletics has been crazy with getting all the spring sports rolling. Badminton just finished up and won bronze in our division, so congratulations to them!

Handball has finished up and had an amazing first season - looking forward to next year.

Soccer, rugby, slo-pitch and track & field are busy trying to get as many games/meets in as possible this month as we have such a short season.

The **Green & Gold Athletic Scholarship** for grade 12's is open for applications. One female and one male athlete will be awarded \$1000.00 each at the annual Athletic Banquet. See Mr. Drolet to pick up an application for the award - applications due by **May 20th**.

The annual **Athletics banquet** and dinner is being held on Tuesday, **June 7th** from 6:00 pm - 8:00 pm in the large gym. All athletes have already paid for the dinner in their fees and it looks to be another awesome night of laughs and awards.

Outdoor Education

Outdoor Ed has been doing lashing and shelter building recently . They also will be going to Chickakoo on May 4 and canoeing May 18!

Memorial German

Upcoming events:

Memorial has successfully nominated three students who will participate in the Germany/Alberta exchange, hosted through Alberta Education. Congratulations to those students, and we hope you have a wonderful time!

For any German students interested in this opportunity next year, stay tuned: Expect another announcement in December/January next school year.

Past Events:

- German Food & Culture trip: Students explored Edmonton's Old Strathcona neighborhood, including visiting places with German roots, such as K&K Foodliner and Barb and Ernie's Restaurant. Students were treated with delicious local German food and a great cultural experience.

- Easter egg decorating: Students painted Easter eggs in the (almost) traditional way, with eggs pre-blown-out and sanitized, then hand-painted by the students.

In the German classroom:

In addition to learning more every day about the German-speaking world, students are currently working on grammatical skills like cases, tenses, and more in preparation for final projects. Wishing them viel Glück!

General Information

All interested students are welcome to join Memorial's German program. No experience or prerequisite is required to enroll in German 10. For more information about the German program, please visit <https://mchs.psd.ca/programs/second-languages/german>
