PRINCIPAL'S MESSAGE

Dear Memorial Parents & Guardians,

First, a congratulations to the Senior Boys basketball team for making it to Metro finals this weekend. They got to play on the Edmonton Stingers home court for their last game. Their season was undefeated and they should be very proud of the silver medals they earned.

Things turn a corner during March in high school. We have had the Open House so our new grade 10s have had the opportunity to see the great things Memorial has available for them when they attend here next year. It was super fun and our teachers really do know how to put on a show!

But that also means things are going to be shifting for the students here. Students who will be in grades 11 and 12 next year will be receiving course information soon. They will be picking their courses for next year in the week following spring break. It is super important that you register your student via PowerSchool before then to access next year's course selection. Thank you to those of you who have tended to this already.

Also right nearby is the Rotary Bikeathon coming up on March 15 raising funds for the Alberta Cancer Foundation again. MCHS has raised over \$100K in the past three years and we are setting even high fundraising goals this year! This fantastic experience saw over 400 students in the gym for a great day of school spirit last year. Miss McGonigal and Mrs. Thomas have been the amazing leaders of this event. The deadline to enter is March 8.

In spite of all of this, March is a workhorse month. We have had a bunch of short weeks since January but now there are several consecutive five day weeks. A huge chunk of the curriculum is covered right now. Attendance, focus and homework are key right now. When we come back from spring break, the weather will be better and it will be harder to keep school work in the spotlight. Please continue to check in with your kids to find out about the fun they are having as well as the assignments they are completing. PowerSchool is your friend to know how your kids are doing.

Take care.

Sincerely,
Ms. Jensen, Principal

MCHS General Information

PowerSchool

This is our parents' primary way to check in on their child's marks/assignments, update contact information, and pay fees.

Sign into your account [here](#). For a [tutorial](#) on how to use PowerSchool, please visit our websites "[For Parents](#)" tab. Please contact Ms. Reid, Mrs. Gemmill or Mrs. Girod at the office if you need assistance accessing your account.

Reaching Your Child At School

Cell phones can be a distraction and a disruption to classroom learning. Our teachers and your kids have worked hard together to come up with routines so that cellphones are not disrupting class. Here are some things for parents to know about communicating with their kids while they are at school.

During class time, your child has most likely turned off the phone and put it in a pouch on the classroom wall. They may not be able to respond immediately.

You can contact your child during their designated lunch hour:

Mondays: 11:25 - 12:25

Tues-Fri: 11:05 - 12:05

We appreciate your support in reaching your child directly to minimize disruption to classroom instruction. Of course, we are happy to assist in an emergency.

Reporting an Absence?

Please email mchs.absence@psd.ca

Please leave your [child's full name, grade, and reason for the absence](#).

If your student is [running late](#), please get them to check in to the office.

Picking up your child up early?

Please be aware that our phone lines are very busy between 2:45 and 3:30. There have been significant hold times.

To avoid this, please call in earlier in the day to advise of the absence. This will help you and the office. Thanks so much.

School Fees

Please note that school fees are not visible on the PowerSchool App. Access to all information is only available through the [PowerSchool website](#).

Payment Options:

- PowerSchool - Fees can only be seen through the parent portal using a browser. Fees can't be seen through the phone app.
- Cheque - Payable to Parkland School Division and may be dropped off or mailed directly to the school.
- Debit or credit - Is available at the high school or Parkland School Division.

If you have any questions, please contact Ms. Miller at the Finance Office.

Registration Reminder - 2024-2025

If you haven't already done so, it's time to register for the next school year! That includes busing if you need it. Registering before the **Friday March 22nd deadline** will help us immensely in planning for next year both at our school and at the PSD Transportation department. Work is currently underway building bus routes for next year already.

Any applications received after the application deadline may not be processed in time for the first day of school. If your child does not have a valid bus pass for the 2024-2025 school year, they will not be able to ride the bus.

How do I get started?

Visit <https://powerschool.psd.ca/public/> and log into your parent account. Once inside the Parent Portal:

- Select your child's name in the blue bar at the top of the screen.
- Select the RSVP icon on the left side of the screen.
- Begin reviewing all of your current Student Information we have on file, and follow the instructions on the screen to navigate through the various tabs in the form (Student Info, Address, Contacts, Medical, etc.).

I can't remember my login for the PowerSchool Parent Portal.

If you aren't able to retrieve your login credentials using the "Forgot Username or Password?" link on the sign-in page, please contact the school directly for assistance logging in to the Parent Portal.

Course Selections

For the current grade 9 students coming into MCHS for grade 10. The grade 10 counselor and administrator are visiting the feeder schools with information on how course selection works. They will bring a copy of our course selections for your child's teacher to put recommendations on at the top of the sheet for their core courses. That sheet then goes home for students and parents to review and select their additional option courses. Parents will sign off on this sheet. It then goes back to school where the student's teacher will help students enter their selected courses online. MCHS will review and approve these when we start building students timetables. Please ensure you have completed the registration at MCHS **BEFORE** the March 22, 2024 deadline.

The current grade 10 and 11 students will have their grade counselors come to their classes at the beginning of March to discuss the course selection process. Students will input their course selections after spring break and **MUST BE** registered before their course selections can be complete. More details to come.
