## PRINCIPAL'S MESSAGE

Dear Memorial Families,

The first month of the school year has flown by, and it's wonderful to see our students settling into their routines and already achieving great things.

This year, we have welcomed 1,384 students—42 more than last year—marking the fourth consecutive year of enrollment growth.

One of the highlights this month has been the wide range of student activities. Our athletics, music, drama, and student leadership groups have been hard at work, and we recently held our Club Fair, where students could explore the many clubs and activities available to them.

Additionally, students took the lead in organizing an assembly to recognize the National Day for Truth and Reconciliation. If your student hasn't yet joined a club or team, I strongly encourage them to get involved.

On a personal note, I share a unique connection with our grade 10 students as I, too, am adjusting to a new school. This experience has given me a fresh perspective on the excitement and nervousness that comes with finding one's place in a new environment. I'd like to thank all the staff, students, and families who have reached out with feedback and support. It's already clear to me that Memorial is a fantastic school with even greater potential.

As we continue through the school year, I'd like to offer two key suggestions to support your child's success:

1. Check **PowerSchool** regularly. This is our main tool for tracking and communicating your child's progress. High school semesters move quickly, with each week accounting for about 5% of the course. After just one month, we've already completed 20% of the semester! Most classes will have weekly assignments or assessments, so staying on top of these is essential, especially for grade 10 students who may still be adjusting to the pace.
2. Make the most of **Torch Time**. Encourage your child to sign up for a Torch session every day, which provides valuable time for additional learning and support. As parents, you can also register your child for sessions, and they won't be able to change registrations made by you or their teachers. We have [video tutorials](#) available on our website to guide you through the process.

I wish you all a successful and rewarding year. Remember, our teachers, administrators, and counselors are always just a phone call or email away. Please don't hesitate to reach out with any questions or concerns.

Warm regards,  
Corey Haley, Principal

# MCHS General Information

## PowerSchool

This is our parents' primary way to check in on their child's marks/assignments, update contact information, and pay fees.

Sign into your account [here](#). For a [tutorial](#) on how to use PowerSchool, please visit our websites "[For Parents](#)" [tab](#). Please contact Ms. Reid, Mrs. Gemmill or Mrs. Girod at the office if you need assistance accessing your account.

## Reaching Your Child At School

Cell phones can be a distraction and a disruption to classroom learning. Our teachers and your kids have worked hard together to come up with routines so that cellphones are not disrupting class. Here are some things for parents to know about communicating with their kids while they are at school.

During class time, your child has most likely turned off the phone and put it in a pouch on the classroom wall. They may not be able to respond immediately.

You can contact your child during their designated lunch hour:

Mondays: 11:25 - 12:25

Tues-Fri: 11:05 - 12:05

We appreciate your support in reaching your child directly to minimize disruption to classroom instruction. Of course, we are happy to assist in an emergency.

## Reporting an Absence?

Please email [mchs.absence@psd.ca](mailto:mchs.absence@psd.ca)

All absences need to be excused from a parent/guardian or the student will be marked **A-NC: Absent - No Communication from Guardian**. Please leave your [child's full name, grade, and reason for the absence](#).

## Regarding Lates

If your student is [late](#) for any reason, please have them to check in to the office so their [attendance can be updated](#) accordingly.

## Picking up your child early?

Please be aware that our phone lines are very busy between 2:45 and 3:30. There have been significant hold times.

To avoid this, please call in earlier in the day to advise of the absence. This will help you and the office. Thanks so much.

## School Fees

Please note that school fees are not visible on the PowerSchool App. Access to all information is only available through the [PowerSchool website](#).

## Payment Options:

1. [PowerSchool](#) - Fees can only be seen through the parent portal using a browser. Fees can't be seen through the phone app.
2. [Cheque](#) - Payable to Parkland School Division and may be dropped off or mailed directly to the school.
3. [Debit or credit](#) - Is available at the high school or Parkland School Division.

## TORCH TIME

- *Tuesdays to Fridays will continue to have Torch Time scheduled from 2:45 - 3:20 pm and lunch will run from 11:05 am - 12:05 pm.*
- **Students and the school are still accountable for the whereabouts of students until the end of the full school day. All students need to be signed up for a Torch Session every Tuesday to Friday through PowerSchool.**
- **Parents and teachers can also sign up a student for a Torch Session. Students cannot unenroll from those sessions. There is a video below explaining to parents how they can sign their child up for a session.**
- **If a student is in good standing (meeting the expectations of their teachers, parents, and themselves) and have all of their assignments submitted to a passing level, they may use that time for a personal interest Torch Session (Open Gym, Fitness Training, etc.) or sign up to be Off Campus With Parent Approval. Students are also encouraged to sign up for academic sessions if they wish to improve their marks.**
- **Please be reminded that early release from class on a regular basis is not permitted. Students are expected to remain in class for the full duration of each period to ensure they receive the complete learning experience. Early releases will only be allowed if excused daily by a parent or guardian. If alternative options are needed please speak to your grade level counsellor. Thank you for your cooperation in supporting our commitment to education**

Tip: Managing Anxiety

A long time ago, our brains evolved to respond to stress as if we were being chased by bears.

But nowadays, we don't just experience stress and anxiety when we're in physical danger. Lots of things about our life can cause us stress and anxiety.

These things can include:

- Commitments and expectations, like school or work
- Conflict with people we care about
- Change or doing something new
- Bullying
- And many more!

**A simple way to help yourself feel calmer is to follow these 3 steps:**

**1. Calm your body**

**2. Calm your mind**

**3. Re-engage your smart brain**

Find more information on each of these steps at <https://kidshelpline.com.au/teens/issues/how-manage-anxiety>

More resources can also be found at <https://www.anxietycanada.com/free-downloadable-pdf-resources/>

Sometimes stress and anxiety is just too much to handle alone. Talking to a friend or family member may help, but you may also want to see a counsellor. Book an appointment with your grade level counsellor to talk and find out more.
