# PICKING UP YOUR STUDENT EARLY??

We would like to remind you that if your child, who is under the age of 18, needs to be signed out of school early, we require communication from their parent or legal guardian.

For any early departures due to appointments, illness, or personal reasons, please ensure to contact the main office or your child's teacher via phone or email.

Additionally, please note that our phone lines tend to be very busy between 2:45 PM and 3:30 PM, resulting in significant hold times. To streamline the process, we kindly request that you notify us earlier in the day regarding any planned absences. Your cooperation in this matter will greatly assist both you and our office.
