Explore Japan was an event held at Memorial on Dec. 12, 2024. Students from the Japanese class got to experience authentic Japanese culture in our own building. They got to experience calligraphy and tea ceremony, presented to them by expert instructors from the Edmonton Japanese Community Association. They also brought out a variety of Yukata Kimono for all of the students to try and take photos of themselves in. It was a wonderful experience brought to us by the Edmonton Japanese Community Association, the Consulate General of Japan and the Japan Foundation. The Vice Consul of the Consulate General's office also stopped by to watch the program. It was an amazing event and the students enjoyed themselves immensely! The students enjoyed themselves and they got to experience some authentic Japanese culture!
