### Let's Keep Our Community Clean!

We're proud to be part of a vibrant community here at Memorial, and it's up to all of us to help keep it that way. Lately, we've noticed some trash, especially takeout food bags, being left behind in the parking lot and around the school. Unfortunately, this trash often blows into our neighborhood, impacting our community.

Let's do our part as responsible citizens and neighbors by making sure all garbage ends up where it belongs—in the trash cans. It's a small habit that makes a big difference! Keeping our parking lot and surroundings clean shows respect for our school, our neighbors, and the environment. So next time you're finished with a snack, drink, or meal, please take a moment to toss your trash in the bin. Thank you for helping to keep Memorial and our neighborhood a place we can all be proud of!

MCHS Theatre Arts attended a performance of "Beetlejuice" at the Northern Jubilee Auditorium. An amazing opportunity to see a professional Broadway-touring show!

**Put Waste in the Right Place!!**
