The table was located in a good location, as parents stopped by as they exited the Gymnasium. For next year, we will provide the School Council with a map to help with directions.
- b. Staff Appreciation - Proposed dates were discussed. Last year, food items were brought in by parents for the staff. This is shared with all staff in the staff room. There are no funds available through the Council. How some other schools do this event is that there are funds available from the fundraising committee for this event. Corey will reach out to LAWS and Foods teachers to see if they may be able to help with food preparation. Council will send Corey a write-up for the Staff Appreciation request for the Torch Weekly. We will add this to next month's agenda.
